

TERMS OF REFERENCE:

The PTL Governance Advisory Arrangement (“GAA”)

1. Duties and Responsibilities

The GAA shall act solely in the interests of Relevant Policyholders in assessing and raising concerns about the value for money in the Relevant Schemes of the appointing Firm.

The GAA will be independent of the Firm.

The GAA chair will be independent of the Firm.

Value for money

The GAA will assess the ongoing value for money for Relevant Policyholders delivered by a Relevant Scheme. As part of this, the GAA will:

- 1.1.** assess whether the Firms’ Relevant Schemes’ default investment strategies are designed and executed in the interests of Relevant Policyholders and have clear statements of aims and objectives.
- 1.2.** assess whether the characteristics and net performance of investment strategies are regularly reviewed by the Firms to ensure alignment with the interests of Relevant Policyholders and that the Firms take action to make any necessary changes.
- 1.3.** assess whether Relevant Schemes’ core financial transactions are processed promptly and accurately.
- 1.4.** assess the level of charges borne by the Relevant Policyholders.
- 1.5.** assess the direct and indirect costs incurred as a result of managing and investing, and activities in connection with the managing and investing of, the pension savings of the Relevant Policyholders, including transaction costs.
- 1.6.** assess whether the communications to Relevant Policyholders are fit for purpose and properly take into account the Relevant Policyholders’ characteristics, needs and objectives.

Independent consideration of policies

Where a Firm has an investment strategy or makes investment decisions which could have a material impact on the Relevant Policyholders’ investment returns, the GAA will provide an independent consideration of, and report on, the Firm’s policies regarding:

- 1.7. the adequacy and quality of the Firm's policy (if any) in relation to Environmental, Social and Governance (ESG) financial considerations and how these are taken into account in the Firm's investment strategy or investment decision making.
- 1.8. the adequacy and quality of the Firms' policy (if any) in relation to non-financial matters and how these are taken into account in the Firm's investment strategy or investment decision making.
- 1.9. the adequacy and quality of the Firm's policy (if any) in relation to stewardship.

Where the Firm does not have a policy in relation to ESG financial considerations, non-financial matters or stewardship, the GAA will in each case consider and report on the Firm's reasons for not having a policy.

Where the Firm has not already adequately taken into account, in its investment strategy or investment decision making, other financial considerations that pose a particular and significant risk of financial harm to the Relevant Policyholders, the GAA will also:

- consider and report on the adequacy and quality of the Firm's policy (if any) in relation to those other financial considerations, and whether and how those considerations are taken into account in the Firm's investment strategy or investment decision; or
- consider and report on the Firm's reasons for not having a policy in relation to those considerations.

The GAA will consider and report on the extent to which the Firm has implemented its stated policies in relation to the considerations and matters referred to above.

When the GAA is considering the adequacy and quality of a Firm's policies regarding ESG financial considerations, non-financial matters, stewardship or other financial considerations, the GAA should form a view as to whether:

- the policy sufficiently characterises the relevant risks or opportunities;
- the GAA considers that a policy seeks to appropriately mitigate those risks or take advantage of those opportunities;
- a Firm's processes have been designed to properly take into account those risks or opportunities;
- the policy is appropriate in the context of the expected duration of the investment;
- the policy is appropriate in the context of the main characteristics of the actual or expected Relevant Policyholders.

Information on costs and charges

- 1.10.** The GAA will ensure the publication by 31 July each year, in respect of the previous calendar year, of the required administration charges and transaction costs information. This information must be available for free on a publicly accessible website and must include the costs and charges for each default arrangement and each alternative fund that a member is able to select. It must also include an illustration of the compounding effect of the administration charges and transaction costs, based on prescribed assumptions, for a representative range of funds options that a member is able to select.
- 1.11.** The GAA will ensure that all members of a Relevant Scheme are provided with an annual communication setting out the most recent transaction costs and administration charges information that has been published, together with an explanation of how that information is relevant to the Relevant Scheme member and how a Relevant Scheme member can access the full costs and charges information described in paragraph 1.10 above, with a link to the website.
- 1.12.** The GAA will set out the information in the annual communication in a manner that pays due regard to the purposes for which Relevant Policyholders might reasonably use the information. The GAA will make the annual communication available on request to Relevant Scheme members' spouses and civil partners, as well as persons within the application of a Relevant Scheme and qualifying or prospectively qualifying for benefits under the Relevant Scheme.

Raising and escalation of concerns

- 1.13.** In relation to the GAA's remit of review, the GAA will raise with the Firm's governing body any concerns it may have in relation to any of the matters it has assessed or considered, or where the GAA is unable to obtain or has difficulties obtaining from the Firm the information it requires.
- 1.14.** The GAA will escalate concerns as appropriate, to the FCA and/or alert Relevant Policyholders, their employers and/or make its concerns public, where a Firm has not, in the GAA's opinion, addressed those concerns satisfactorily or at all.
