At Mercer we understand that institutions with internal investment teams often face a number of challenges in their day to day activities – MercerInsight provides an efficient and effective platform to assist with:

- **Accessing a second opinion** when selecting external investment managers, ensuring that governance procedures are followed.
- **Selecting managers** from the widest possible coverage of product providers in the global marketplace.
- **Monitoring external managers** on a qualitative and quantitative basis in a cost-effective manner.
- **Measuring manager performance** against comprehensive peer groups, rather than merely against the benchmark.

Using our experience, we are able to position ourselves to help our institutional clients address these challenges. Our sophisticated MercerInsight platform helps our clients to be more effective in the marketplace.
